

YOUR IMPACT IN 2017

BARRIE

DAVID BUSBY STREET CENTRE \$40,000

With your help, we will continue to support the operation of the DBSC drop-in centre. The centre provides outreach services and a warm, safe environment for homeless or marginalized people, low-income families, the working poor, youth in distress, and seniors who are struggling financially. For over 22 years, individuals and families that experience homelessness use the centre as a first point of contact and a community resource to seek the support and guidance they need to get back on their feet.

REDWOOD PARK COMMUNITIES \$40,000

Your donations directly support the construction of a brand new building consisting of twelve two-bedroom units and a common living/kitchen area for families in crisis who are experiencing homelessness. By having transitional housing, they support homeless women and children who have fled violent and abusive living situations. Housing from Redwood such as the United House and United Second Suits provides hope by having safe and affordable spaces to those who need it most in Barrie, Ontario.
