IN SUPPORT OF EVA'S INITIATIVES

ABOUT EVA'S INITIATIVES

Eva's Initiatives provides safe spaces and support for 123 homeless youth aged 16-24 every night. Each facility is designed to help youth with their unique circumstances transition out of homelessness and on to independent living. Eva's staff work with each homeless youth to develop a personalized action plan. This plan is designed to empower each young person to achieve both short and long-term personal and career goals. Eva's Initiatives is more than a shelter, we're a fresh start.

YOUR FUNDS AT WORK

With your help, funds raised through the 2017 Tournament will continue to support Eva's Initiatives, a youth accessed safe shelter that provides nutritious food and a caring environment 24/7 at all 3 Eva's facilities – Eva's Place, Eva's Satellite, and Eva's Phoenix. A portion of funds was directed toward recreation programming and equipment which enabled youth to get moving outside through outdoor recreation and gardening. This recreation program was made possible by HHTH funding.
