FIRST UNITED CHURCH \$55,000

CART STORAGE FACILITY (\$30,000)

It is a low cost transformative service for people in need.

COMMUNITY HELP DESK (\$20,000)

HHTH's grant in 2016 enabled the construction of the Help Desk and since the completion of renovations in 2018, they have a larger accessible space for community members to access drop-in services. Your support will maximize the programming opportunities for the AYF Program through the hiring of staff. By doing this, it increases the capacity to reach out and engage Native youth who are homeless, or are at risk of becoming homelessness.
