It is a low cost transformative service for people in need.

COMMUNITY HELP DESK (\$20,000)

The Community Help Desk at First United offers an umbrella of services for the city's most marginalized. These services include health & hygiene supplies, phone & mail service, community referrals, on-site medical visits, and more. 2 dedicated staff and a rotating team of volunteers serve over 1,000 DTES community clients each year & aim to make the support services as empowering as possible.

TAX PROGRAM (\$5,000)

Your donations will help First United process the tax returns of up to 4,000 low-income people who are either homeless or precariously housed. Staying up-to-date on taxes is critical for rebuilding credit, receiving CPP & other benefits, and gaining access to many shelters. For those reasons, the tax program is a potential path out of homelessness.

LAST DOOR \$50,000

Funding will be used to help cover the costs of addiction treatment in the Last Door Youth Program which provides an addiction treatment system for male youth ages 13 - 18. This will directly help youth alleviate the costs of treatment until they are able to access a government funded bed.
