

# KITCHENER-WATERLOO: YOUR IMPACT IN 2018

## LUTHERWOOD: SAFE HAVEN YOUTH SERVICES | \$45,000

Lutherwood's Safe Haven Youth Services is a 10 bed shelter for vulnerable youth between the ages of 12 and 18. HHTH ensures Lutherwood is able to maintain staffing to support the youth accessing their services. Youth are provided with their basic needs, participate in life and social skills programming and receive support with their barriers to housing.

**Last year, 91% of the youth whom accessed Safe Haven Youth Services were able to return home, found an alternative living option or moved into independent housing, and HHTH is a part of that great impact.**

## HOUSE OF FRIENDSHIP: CHARLES STREET MEN'S SHELTER | \$45,000

House of Friendship's Charles Street Men's Shelter provides emergency shelter for men as well as long-term, permanent supportive housing for single adults. HHTH aids in funding a Program Resource Worker (PRW) who helps men find and move into permanent housing and to be able to maintain it. While meeting the immediate need of a reprieve with food, shelter, and safety, the work of the PRW allows the Shelter to be a resting point on the way to finding permanent housing solutions.

**All those who enter the shelter are welcomed by a caring and professional Program Resource Worker who will listen to their story and provide the necessary resources. They receive both practical and emotional support to help their life get back on track.**

## HOMELESSNESS AND HOUSING UMBRELLA GROUP: ALL IN 2020 | \$45,000

ALL IN 2020 is an enormous community mobilization initiative aimed at increasing awareness and resources to end chronic homelessness by Nov, 2020. ALL IN is working along side the service providers who are supporting people who have been homeless the longest and with the most complex needs to access affordable housing with intensive housing based support.

**With the help of HHTH's funds, the goal of ALL IN 2020 is to reduce the number of people experiencing chronic homelessness in Waterloo Region from 258 in Nov. 2018 to 3 or less by Nov. 2020.**

## ONEROOF YOUTH SERVICES: PROVIDING A ROOF | \$45,000

oneROOF Youth Services operates a 17 bed co-ed youth specific shelter - Providing A Roof (PAR). They support youth who are experiencing homelessness by providing them with a safe and stable emergency shelter environment. They were able to reach those outcomes due, in part, to the funds made available to us through HHTH.

**With HHTH's support, oneROOF Youth Service was able to provide over 5,500 bed nights and 11,120 units of service to 209 individual youth ages 16 - 25 last year.**

## YW K-W: EMERGENCY SHELTER | \$45,000

The YW's emergency shelter is a 66-bed shelter for women, children, and families who are experiencing homelessness. The program provides basic necessities, crisis support, housing help, advocacy, information, and referral to longer-term community supports and services.

**Your gift of \$45,000 will enable the YW to provide 750 nights of shelter. Homeless women, children and families will have access to shelter, meals, and support to develop and follow their housing plans.**

**GET INVOLVED TODAY. BE A GAME CHANGER. | NEXT TOURNAMENT: FRIDAY, OCT. 25, 2019 | CONTRIBUTIONS TO END HOMELESSNESS: \$225,000**

**IN 2019, WE HOPE TO SURPASS THE \$1,000,000 MILESTONE TO HELP SHUTOUT HOMELESS IN K-W!**
