

YOUR IMPACT IN 2016

CALGARY

BOYS AND GIRLS CLUB \$37,000

Thanks to you, funds raised will ensure the safe removal of asbestos from the washrooms in each of the 10 apartment suites in the Treehouse Apartment Buildings that house homeless youth.

HABITAT FOR HUMANITY \$37,000

With your help, the funds raised will be used to purchase framing materials for the Bowness build commencing in April 2017. The Bowness build will provide safe housing for six families.

INN FROM THE COLD \$37,000

Your donations will support a one-of-a-kind therapeutic space, created to engage the senses in a healing and calming way. The room will provide a very different place from the everyday sights and sounds of the emergency shelter and a space for children to de-stress.

YWCA \$37,000

Your funds will directly support the YWCA Mary Dover House Transitional Shelter program, ensuring that five women who are homeless have a safe and secure roof over their heads for a 90 day stay. Each client will have access to experienced staff, basic need items, and a key to their own room for the length of their stay.
