

YOUR IMPACT IN 2016

VANCOUVER

THE BLOOM GROUP/ POWELL PLACE \$40,000

Thanks to our generous donors, HHTH is able to have a lasting positive impact on women and children in the Springhouse Program. We will be funding outings and activities that help children have healthy and positive experiences at a time of significant change and transition in their lives. We are also funding a much needed renovation to the children's play area.

MOM2MOM \$5,000

Your donations will help improve the lives of families isolated by poverty; providing immediate assistance for families who are at risk of losing their housing through the *Compassion Fund* program.

COVENANT HOUSE \$50,000

Your determination in raising funds for the 2016 tournament will ensure that 11 homeless young women have shelter this year. This shelter is also the gateway to receiving other helpful services they need, such as life skills, work placements, training, housing and education support, in order to permanently leave the streets.

SALVATION ARMY \$55,500

Thanks to the money you helped raise, HHTH will fully fund the installation of two community kitchens for the men staying at Belkin House, increasing their independence and helping to create a sense of community for them. We are also able to pay for an upgrade to the kitchen equipment at the Harbour Light shelter (which serves over 160,000 meals annually) and provide new laundry machines, linens and hygiene supplies for all of the men and women staying there.

RAINCITY HOUSING \$40,000

Your contributions to the 2016 tournament will help support the Hives for Humanity project, which provides employment and job skills to those living in RainCity housing. Some of the money raised will also purchase a vehicle that will be used to help those in need of shelter with transportation and moving into housing.

FIRST UNITED CHURCH \$55,000

Your donations will help provide adults transitioning from the streets a safe place to store their personal belongings, allowing them to access much needed support without having to worry about the security of their valuables. Funds will also aid in the renovation of the churches reception area or "The Hub" – the first point of contact for the hundreds of people seen each and every day.

DOWNTOWN EASTSIDE WOMEN'S CENTRE \$20,000

HHTH will contribute to the upgrade of equipment of the kitchen facility at the Centre, which helps feed 500 women and children each and every day.

LOOKOUT EMERGENCY AID SOCIETY \$47,800

Thanks to you, Lookout will be purchasing a vehicle that will transport over 20,000 lbs of fresh vegetables to service providers every year; ensuring thousands of at risk individuals throughout the Lower Mainland get the nutrition they need.

URBAN NATIVE YOUTH ASSOCIATION \$60,000

Your donations will continue to maximize dynamic, youth-driven programming opportunities through the (AYF) Sports and Recreation Program, increasing our capacity to engage and empower Native youth who are homeless, or are at risk of becoming homeless.

ZERO CEILING \$5,000

Thanks to your generosity, Zero Ceiling will be able to provide transit passes to the vulnerable youth being supported by the Work2Live Program; helping them get to their work placements each day and ensure their housing remains secure.
